

Parent Council Standing Committees

The Enrichment Committee shall select, plan, and organize educational and cultural activities that will enhance the curriculum of the classroom. This committee is charged with establishing a budget, writing contracts for groups, when necessary, and ensuring that the programs provided are developmentally appropriate for the children.

The Fund Raising Committee shall suggest programs and activities designed to benefit the Center both educationally and financially. This committee is charged with the responsibility of organizing and executing fund raising events, including the end-of-the-year fundraiser and celebration.

The Social Events Committee shall suggest, plan and organize all social events at the Center, and assist with the end-of-the-year celebration. These events are intended to build a sense of community and should encourage enjoyable stress-free participation by Center families.

The Classroom Room Representative Committee shall serve as an aid to the Council in determining the needs of the individual classrooms and teachers and to support the teachers with special classroom events. Duties will include attending Parent Council meetings, communicating with classroom families, coordinating quarterly staff-appreciation lunches, and assisting with the end-of-the-year fundraising activities. Each classroom should have 2 Room Reps.

The Library Committee shall serve as an aid to the classrooms in determining the needs of the individual classrooms and teachers by suggesting additional materials for children that promote literacy. This committee will assist the staff with planning and organizing the yearly Sponsor-A-Book activity, repair books as needed, and create literacy materials for the classrooms.
